BICENTENNIAL

LETTER OF DEDICATION: MAYOR BRADLEY

OFFICE OF THE MAYOR

TOM BRADLEY
MAYOR

DEDICATION---BY MAYOR TOM BRADLEY

In the Bicentennial year of Los Angeles' history, it is my honor and pleasure to express my best regards to the students of Bishop Montgomery High School, an outstanding educational institution in one of our finest neighboring cities.

Those of you who will graduate this year should carry with you the pride of Montgomery, the optimism needed to move mountains in these challenging times, and the determination to improve upon what others have accomplished before you.

You possess the wonderful gifts of youth: vitality, a fresh outlook, the spirit of adventure. Use them well in the world whom it will be your mission to save, restore, reinvigorate, catalyze.

And with each task, pay attention to another of the gifts of youth: the tendency to question what may seem the most rigid of rules. Ask the questions. With the knowledge you gain, I pray that you may help lead us to the kind of peaceful future the philosophers have envisioned for this tiny planet.

On behalf of the citizens of Los Angeles, I wish each of you well.

SOMEWHERE OVER THE RAINBOW

Somewhere over the rainbow
way up high,
There's a land that I heard of
once in a lullaby.
Somewhere over the rainbow
skies are blue,
And the dreams that you dare
to
dream really do come true.

Someday I"ll wish upon a star
and wake up where the clouds
are far behind me—
Where troubles melt like
lemon drops
away, above the chimney tops
that's where you'll find me.

Somewhere over the rainbow
Bluebirds fly,
Birds fly over the rainbow
why then, oh why can't I?
If happy little bluebirds fly
beyond the rainbow
why oh why, can't I?

E. Y. Harburg

Homecoming 1980

"Tonight's the Knight" was the theme for Homecoming 1980. On the night of the game, Bishop Montgomery was leading Servite by 3-0 at halftime, when three decisions were announced. The first accouncement was heard two times before: "The Class of 1981 is the most spirited class at Bishop Montgomery!" (They had won the contest two times previously.) The second announcement was that the Juniors had won the float-building contest with their float, "Starry, Starry Knight," depicting a Knight riding through a starry sky. Lastly, the Homecoming Queen was chosen. *Cathie Covington* was picked by her classmates to represent the school for 1980 and 1981. Her four princesses were *Debbie Brown, Nena Contreras, Sue Finn,* and *Connie Tamburri.*

Even though Servite eventually won (6-3), the Knights' spirit grew with enthusiasm and reached a high point at the dance, which was held at the Grand Hotel in Anaheim. Everyone had a fun time at the Homecoming Dance: eating, talking, and dancing to the music of Eclipse. Homecoming 1980 was a great success!

Moderator; *Ms. Christine Collette*

This year's Drill Team was led by Colonel *Teresa Revilla,* First Captain *Kathy Carnahan,* Second Captain *Susan Forsythe,* and Moderator *Ms. Christine Collette.* They performed many impressive halftime shows with new uniforms and a variety of props. Later in the year, they attended the annual West and Miss Drill Team Competitions and placed very well. The parade and precision teams put in many extra hours after regular practice and on Saturdays, and this was evident at the competitions. Once again, the Knightettes proved to be among the best.

Spirit Week

Knights' Spirit Brighter Than Day

Homecoming 1980 began with the many activities of Spirit Week. To kick-off the festivities, the Freshmen decked the area between first and second building with their class colors: dark and light blue. At lunch they held their activity, a "pie-eating" contest. The next day, the school was covered in blue and black as the Sophomores decorated their allotted area. Their class activity was a water-balloon toss. The Juniors' experience in TP-ing the school was made evident as their area was skillfully covered with blue and gold. The Junior activity was a tricycle race. Finally, the Senior's day came. It was their right to decorate the entire school and they took full advantage of that privilege. The school was completely covered in Senior colors (brown and gold), and the fences and ice plant were filled with messages from the Class of '81. The Senior Class Activity was a cake walk. While all this was happening, the classes were busy working on their floats, and scores were being tabulated to see which class would be chosen as the most spirited.

The Homecoming Pep Rally was held on Friday as all the Knights gathered in the gym. The usual inter-class competitions were mercifully eliminated, producing a greater feeling of unity as Bishop Montgomery expressed their dislike of Servite and their Coneheads.

The week before, the Top Ten for Homecoming Queen had been chosen. At the Pep Rally, the Top Five were announced: *Debbie Brown, Nena Contreras, Cathie Covington, Sue Finn,* and *Connie Tamburri.* The five other girls who were on the Top Ten were: *Nancy Banken, Maria Cafaro, Jeanne Costello, Julie Mortl,* and *Janetta Prestininzi.* The Knights' spirit grew and carried over to the Homecoming Game that night.

2. *Cathie Covington* and *Rita Williams* lead some cheers at the Pep Rally.
3. The Spirit Week activities included a pie-eating contest.

6. The Class of '82 watches as the Top Five are announced.

Fall Play 1980

A Midsummer

This year's fall play, under the direction of *Mr. Richard Goodwin,* saw some unique innovations. The courtyard between the first and second buildings was transformed into an Athenian wood, as Shakespeare's, *A Midsummer Night's Dream* was presented. This Shakespearean Production marked not only a first for Bishop but for the area high schools as well. In spite of threatening weather the show went on and was very well receivd. Assisting in the production were stage manager, *Paul Farrington;* assistant to the director, *Roni Almanza;* and *Jay Ross,* scene and make-up designer who was also the technical advisor for the play. There were many others that worked behind the scenes to help make this production a great success.

Halloween

Some might say that there were strange people at Bishop Montgomery this past year. Although this may not have been completely true, many students and teachers let their inner, more strange selves show on October 31, Halloween. Dressed up as witches, ghosts, priests, nuns, and caterpillars, Bishopites did their best to fill the day with laughs, screams, and a few surprises. With boys dressed as girls and teachers dressed as Freshmen, many students refused to believe that Bishop Montgomery was actually a high school.

The main activity during Halloween day was the best-costume competition among teachers and among students. The winner of the faculty costume contest was Fr. Tom who was dressed as Fr. Guido Sarduchi. *Maureen Healy*, alias Gloria Vanderbilt, won the prize for the student competition. The next day of school, though, after all make-up had been removed, many teachers and students regretted the return to - "sanity"?

1. *Gary Rosso* has finally met the girl of his dreams. 2. *Esperanza Solbach* wonders why everyone is staring at her and her companion. 3. Everyone wears their favorie outfits on Halloween. 4. *Marykay Freeman, Nancy Banken, Jeanine Juge, Cherie Baker* and *Meg Meehan* express their personalities. 5. *Sharon Johnson* gives *Steve Trudnowski* a Halloween treat. 6. A confused *Mr. Martinez* tries to guide some lost "tourists". 7. Raggedy Ann discusses her anatomy and physiology test with hunchback *Mr. Picard*. 8. *Terry Liegy* and *Carmen Arias* went all out on Halloween.

Backwards Christmas Dance

On December 13, 1980, about 100 couples attended the Backwards/Christmas Dance which was sponsored by the Student Council. After the couples had eaten at the Velvet Turtle, Ichabod Crane's, or McDonald's (at the girls' expense), they drove down Sepulveda Boulevard and stopped at the Torrance YMCA to attend the annual dance. After they arrived, they entered the dance hall to find students and teachers dancing to the music of "The Jades." While taking a break from dancing, the couples had a chance to buy some punch and get their pictures taken. After the snapshots had been taken, though, the couples ran back into the dance hall to continue dancing and having a good time until their time ran out and the 1980 Backwards dance became history.

Christmas

One of the happiest seasons for the Bishop Montgomery family is the Christmas season. This time of the year is always appropriately brought to an "official" opening with a school mass in the Gym. The celebrant of the mass this year, was *Father Liam Kidney*, who was assisted by other priests from the school. At first, the Christmas trees and banners hinted that the liturgy would be like all others at BMHS. When a class of grammar school children, dressed as angels, shepherds, etc., began to march into the Gym and onto the altar-platform, the Montgomery students began to expect something different. When it came time for the Gospel, the Student Body's expectations were met. *Father Jabro* introduced the children as pupils from St. James School in Redondo Beach. He told about plans for the children to give their dramatic interpretation of the Christmas Story. They did just that, adding their freshness to the age old, miraculous story. Their "performance" was enjoyed by all, and afterwards *Father Kidney* interviewed a few of the children, finding out their views on Jesus and Christmas. After the discussions, though, Mass continued as usual, but in overview, the youthful innocence of the children brought a new view of Christmas to the Montgomery Family.

Pep Rallies

Although students showed their school spirit throughout the year, they were given one of the best chances to show that spirit at the Friday Pep Rallies. These hour-long assemblies served as a time when students could scream, yell, and cheer for the Bishop Montgomery athletic teams. With the aid of the marching band, cheerleaders, and songleaders, the student body created a feeling of unity which gave the teams an incentive to play their best for the glory of BMHS.

Pep Rallies also served as a time when: skits were performed representing Montgomery victories, the Drill Team could perform, and competitions, such as food-eating contests took place among classes, faculty and students. At the end of each rally, though, the spirit of competition turned into one of unity as the entire population of Bishop Montgomery sang the Alma Mater.

1. *Mrs. Adamik, Mr. Fawell, Ms. Vallejo* and *Friar Mike* participate in a football carrying race at a Pep Rally.
2. Everyone gets wild in the gym.
3. The Drill Team gets in formation for the football team to enter.

Awards Banquet

The Boys' Fall Sports Awards Banquet was held at St. Catherine Laboure on January 31, 1981, to honor the participants of football and cross country. The Montgomery athletes were served a meal of roast beef and potatoes, and then listened to various speakers. As well as the traditional speeches by the coaches, speeches were given by players in each of the different sports. These talks gave the athletes a chance to identify even more with what was being said, and so greatly enjoyed the Banquet. Some of the major awards for the fall sports were the Most Valuable Player Awards. *Mike Romero* was chosen as MVP for Varsity Football, and *George Cable* was selected MVP for Varsity Cross Country. After all the awards were given out, the Senior athletes expressed their thanks to the coaching staff of Bishop Montgomery for giving them so much time and love. All the players thoroughly enjoyed the evening, and looked back at their seasons with fond memories.

After Hours

After all the lockers and doors were locked at Bishop Montgomery, the students were all over the South Bay doing anything under the sun to excape the work and rush of school. Some students slept, but most took part in their favorite types of recreation. These after-hour activities ranged from school functions, to sports, to personal hobbies. Some of the pastimes were: going to the beach, listening to music, riding horses, scuba-diving, and eating. The most fun activities, though, were doing homework and working at a job. All these hobbies helped Bishop Montgomery students keep a healthy balance between work and play which is so vital to a successful person's life.

Guest Speakers

This year at Bishop Montgomery there were several guest speakers who made presentations to the Student Body. These presentations were interesting and their subject matters ranged from extremely desperate to very funny. An entertaining show was given by *Cary Tranvonovich,* who displayed his pantomiming skills to the upperclassmen. The underclassmen heard speeches by Redondo Beach police officers and saw demonstrations by their canine unit. Another attraction was the informative session given to American West classes by *Jerry Crandall* who was the technical advisor to "Centennial." Most importantly of all, though, was a speech given by *Fr. Bruce Ritter OFM Conv.* He told of his work in New York City with explioted teenagers to the captivated student/faculty audience. All in all, the guest speakers greatly widened the scope of education at Bishop Montgomery.

1. *Fr. Bruce Ritter* tells students his experiences at Covenant House in New York City.
2. *Jerry Crandall,* artist and technical advisor for "Centennial", talks to the American West classes.

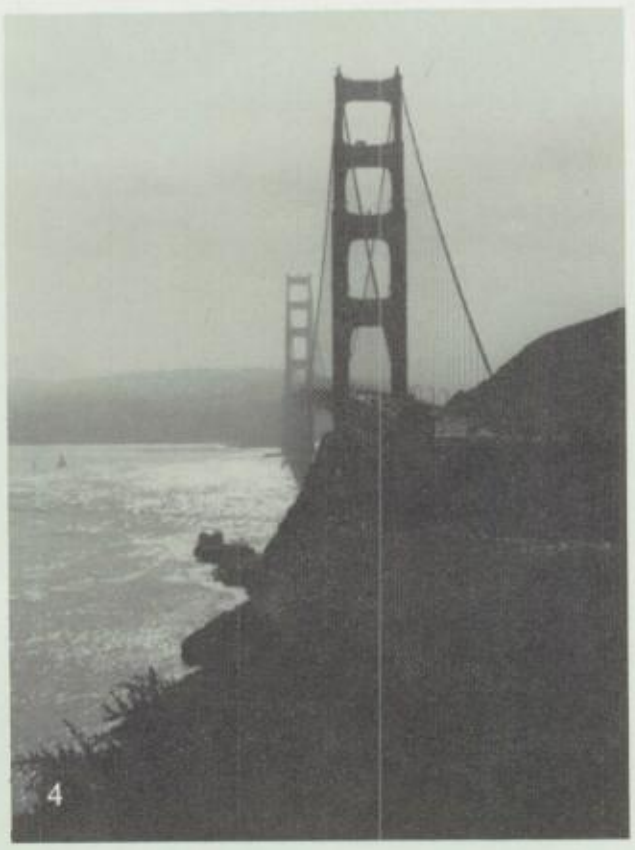
4. *Jerry Crandall* demonstrates how a real mountain man shoots his gun.
5. A pantomime entertains the Juniors and the Seniors with his unusual routine.

Sacramento Or Bust



Many members of the American West class attended a field trip to Northern California to learn more actively about California history. The trip took place on January 17 and 18, and the students who went on the excursion were chaperoned by *Ms. Cathy Vallejo* and *Mr. Dan Martinez.* They traveled to the "gold country", San Francisco, and Sacramento. Some of the highlights of the trip were: a visit to Sutter's Fort and Mill, a tour through a restored section of Old Sacramento, a day at Golden Gate Park, Fort Point, the Presidio, and Fisherman's Warf. On Sunday they all attended Mass and then began their long bus trip home. Although the students were tired, they enjoyed the trip since it gave them a chance to see and experience the things that they only read about in history books.

500 Day

Each year Bishop Montgomery gives grade school students a chance to visit the campus and learn more about life at BMHS. The event is called 500 Day and this past year there were two such events. Students from feeder schools made an excursion to Montgomery and toured the campus and saw various presentations; a "living history demonstration" of a Continental Soldier, 1777; drama, choral, dance, and chemical demonstrations; an exposition of school spirit by the Pep Squad; and speeches by *Father Kidney, Father Jabro, Miss Abend, Mr. Norton,* and *Miss Collette.* After a full day of activities, the students enjoyed some ice-cream, care of the Student Council. The 500 Days, this year, were great successes.

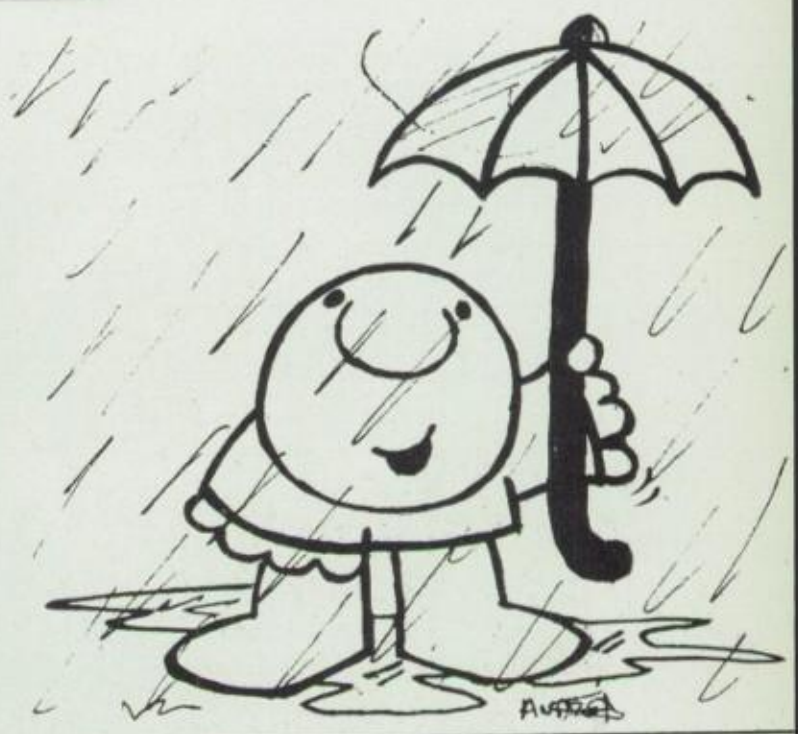
Rainy Days



The first difference that is apparent when it rains in Torrance, California is the stampede of late students in the Attendance Office. *Mrs. Paul,* assisted by the V.P.'s, always gets writer's cramp from signing a million tardies. Another difference on rainy days is the extremely crowded halls. With everyone avoiding the rainy outdoors, the halls become filled with wall-to-wall students, making even more students late. Finally, the dark clouds not only bring rain but also the chance of eating in fourth period. As the Snack Bar is moved inside, classes are called in sequence to buy their lunches. This practice gives students on the tail-end of the on-rush about two minutes to eat their potato chips and cold spoon-burgers. Again, with students eating late, there is a greater number of tardy students. Rainy days at Bishop Montgomery are definitely "unique" experiences.

1. Students crowd the wet hallways on their way to the snack bar.
2. Some students a Bishop Montgomery found courage to brave the rain.
3. A thirsty student buys some milk from the bookstore, which was transformed into a snack bar.

Sadie Hawkins

The Junior Class sponsored this year's Sadie Hawkin's dance which was held in the school gym on Saturday, February 21. Before going to the gym, however, the couples ate dinner at places such as the Red Onion and Shakey's, at the girls' expense, of course. The annual dance featured the talents of "The Best," who played modern and country music. Because of the Western theme, there was once again a "hitching" booth that gave couples a chance to get "hitched," by the *Reverend Martinez.* Throughout the night, people were getting "hitched," dancing, or drinking refreshments outside. Throughout the entire three hours of the dance, all the couples enjoyed themselves and wished they'd "All grow up to be Cowboys!"

Lunchtime

During lunchtimes at Bishop Montgomery students were all over the place. Some students were cramming for tests, others were sleeping, and still others were attending club meetings on the bleachers. On Wednesdays some went to Mass and on other days some attended Communion Services. Seniors were busy leaving campus, standing in their "private" snack bar line, or scurrying to the Senior lunch area. Some students even ate food during lunchtime! For most underclassmen, the choice of lunch was limited to either a brown bag from home or a purchase from the infamous snack bar. Along with the usual spoon-burgers, twinkies, apples, and Cokes, a few new delicacies were offered at the BMHS Cafe: salads, pizza slices, and submarine sandwiches. Some of these additions even attracted a few students away from studying. Any way the students spent it, though, lunchtime was a welcome break from four periods and a good preparation for two more.

Liturgies

Liturgies were an underlying factor in the Bishop Montgomery system. They furthered a spirit of Catholisism and brought the student body together as one family under God. Besides the special occasions for mass such as Christmas, St. Francis' Day, and Easter, mass on Wednesdays and Communion service on other days were provided. Students took the chance to praise, worship, and thank God by participating in these services.

The Liturgies were very special times because they expressed the love and care of the Bishop Montgomery family.

Whale Watch 1981

Some popular activities this year were the whale watches, sponsored by the Science Department. In the morning, students covered with turtlenecks, gloves, scarves, and cameras boarded a bus and rode to the Redondo Pier. After they got on the whale-watch boat, they were driven out to the Pacific around the Palos Verdes Peninsula. Then the watch began on the cold waters with the wind blowing steadily. Whenever anyone spotted a whale, students would rush to that particular side and stare and take pictures. If someone spotted a whale on the other side, there was a mass-shift of people. The boat turned into a floating teeter-totter with all the shifting. Four or five big whales and a few sharks were spotted by the end of the watch. Some of the whales showed off, others went on their way without noticing the tourists. Finally the students had to return and although some got sea-sick, all had an educational and fun time.

Newspaper

The Knight Life staff succeeded, this past year, in keeping the school up to date on all facets of high school life at BMHS. The new moderator for the staff was *Mr. Dave Llewelyn* who advised the co-editors, *Jocelyn Catipon* and *Carolyn Chiang*. These three, along with the entire staff, managed to publish several issues of Knight Life during the school year. These papers were the results of lots of effort as many hours were spent, in class and out, typing, interviewing, and organizing facts to be printed in the paper. Some sections in the newspaper included among others: the front page (general news stories), sports section, "Dear Aggie," letters to the editors, "Teacher Feachers," and reviews. All in all, the staff did a great job in keeping the student body well-informed of all events, problems, and concerns of Bishop Montgomery.

Yearbook

Once upon a time there were some students who attended Bishop Montgomery. They all had the same sixth period and agreed to have meetings in a room between 307 and 309. In the room they found: pica sticks, 3-R's, a typewriter, croppers, some photo stuff, and vanilla evelopes that were to be kept frozen. They went wild with the equipment and spent a lot of time drawing pictures and "palatino-ing" the 3-C's. There was a man who tried to moderate the activities of the group but his efforts were fruitless since the students had become very competent at compiling a giant mess. Finally, after many months of work, the mess was transformed into a high school annual.

The group referred to above was the sixth period Yearbook class. The leaders of the group were *Susie Filce* and *Claudia Endler*, the co-editors of the book. They were the ones that spent many hours advising the staff, and many other hours creating layouts to be sent to the printers. The man who helped *Susie* and *Claudia* was Mr. Dan Martinez, Moderator of the Yearbook Staff. Even though they worked diligently during class time, they often needed to work on weekends and holidays. All their time and efforts paid off, though, after all the lines, pictures, letters, and drawings were transformed into the best yearbook, Excalibur 1981, that Bishop Montgomery High School had ever seen.

ASB

The 1980-'81 Bishop Montgomery Student Council was characterized this year by much past experience and innovative ideas.

Along with organizing the traditional events of the year, which included Spirit Week and all of the many Homecoming festivities A.S.B. served the school with all four Orientation Days in September, Halloween Dress Up Contest, 500 Day and interesting and unique Pep Rallies.

One of the many achievements of the 1980-'81 council included the begining of many informative and entertaining assemblies for student enjoyment. A.S.B. also worked closely with Administration, and helped change some rules in dress code.

Major role of A.S.B. was felt daily throughout the school, by bulletin boards, announcements, and activities.

This group worked long and hard in the summer, and all throughout the year to ensure an enjoyable and successful schoolyear.

Lettermen

The male athletes of Bishop Montgomery who had obtained a school letter by playing a year of a Varsity sport comprised the Letterman's club. The officers of 1980-81 were *Steve Baaden*, President; *Paul Gibson*, Vice-President; and *Mike Soriano*, Treasurer. These officers were advised by the club moderator, *Mr. Bill Norton*.

The members of the club generated a lot of school spirit through their unity, and performed others services for the student body by co-sponsoring the Letterman/Lettergirls' dance and managing the clean-up jobs after Pep Rallies. In reward for their participation in sports and in the club, members took a field trip to Six Flags Magic Mountain and received various honors at the Boys' Sports Award Banquet. The member-athletes helped heighten school pride through the year by bringing glory to the school.

Lettergirls

The Lettergirls' club consisted of those girls who had participated in a Varsity sport for one year, a Junior Varsity sport for two years, or were a member of the Drill Team. Some activities that the club sponsored were the Father/Daughter Night, popcorn sales at games and at lunch, Drill Team Extravaganza, grade school sports tournaments, and they co-sponsored the Letterman/Lettergirls' Dance.

The club was moderated by *Miss Christine Collette*. She was assisted by these able-bodied officers: *Maria Cafaro*, President; *Patti Aki*, Vice-President; *Pam Pierce*, Treasurer; *Yvette Rice*, Publicity; and *Laura Hammerle*, Secretary. The officers worked together in coordinating activites including the Girls' Sports Awards Banquet, at St. Margaret Mary's, which rewarded the girls' athletic excellence.

CSF

One of the largest clubs at Bishop Montgomery was the California Scholarship Federation (CSF), club. This group rewarded scholastic excellence by offering members: a qualification needed to be exempted from semester finals, an educational field trip, and an annual excursion to Disneyland. Most importantly, though, members had a chance to become Seal Bearers, meaning that they maintained an exceptionally high grade point average in "academic" classes for at least five semesters, one in their Senior year. With regards to services for the school, CSF sponsored a dance, and many members tutored other students in subjects which they found difficult.

The 1980-81 CSF Club ran smoothly this past year due to the efforts of its moderator, *Mrs. Jenny Long*, and the club officers. The President of the club was *Chuck Castillo*, who was aided by Vice-President, *Cathy Fitzpatrick*; Secretary, *Arpita Chatterjee*; and Historian, *Mindy Leonelli*. The CSF club will continue to practice the belief expressed in its motto: "Scholarship for Service."

French

The French Club gave students a chance to learn more about France, its people, and its culture. Under the supervision of *Miss Liza Coakley*, the members participated in various activities such as watching French-language movies, making French foods, learning songs in French, and becoming acquainted with folklore of France. The purpose of the club was to enable students to grow closer to the people of France, and that purpose was fulfilled.

2. French Club members: *Vickie Intriago, Sandra Bosio, Susy Veiga, Katie Brownfield, Lily Veiga, Gino Ruffolo, Mindy Leonelli, Ms. Coakley, Richard Carmody, Agustin Valez, Becky Soto, Gilda Sotelo,* and *Alden Pelayo.* 3. French Club officers: *Gino Ruffolo, Richard Carmody,* and *Augustin Valez.*

Pep Club

The Pep Club prided itself in being very rich in school spirit. The members spread their spirit to the students and faculty through various activities: they helped organize Pep Rallies, they painted spirit signs for sporting events, and worked closely with the Student Council and Pep Squad to raise school spirit. In order to finance their activities, the club held fund-raisers from which they, and the rest of the student body, benefited. These included: Santa-grams, Easter-grams, and the sale of licorice. All of these functions allowed the club to show their pride in Bishop Montgomery. The club was moderated by *Mr. Bill Wolfenbarger* and *Ms. Laurie Sherwood.*

1. Pep Club members: *Denise Castro-Bran, Mary Marin, Michele Calvillo, Cecilia Pina, Ms. Sherwood, Martha Lopez, Lani Pueliu, Penny Hallman, Elia Quevedo, Ingrid Kelly, Lorraine Mendez, Anita Lopez, Jan Webster,* and *Lisa Pentergast.*

Forensics

The members of the Forensics Club were coached and supervised by *Mr. Chuck Vogler,* who was assisted by *Mr. Bryan Thomas.* The main activities that the members participated in were competitions in both individual speech events and debate tournaments against other high schools. The club succeeded in giving students confidence and skills needed to speak successfully before others.

3. Forensics Club officers: *Francis James,* President; and *Mario Antavia,* Vice President.
4. Forensics Club members: *Gayle Sakaguchi, Vikie Intriago, Frances James, Madelon Reis, Arpita Chatterjee, Dora James, Heidi Holtz, Nino Michecin, Jeff Mundon, Ed Milligan, Mario Antavia, Mr. Vogler, Terry Fox, Paul Fournier,* and *Bernary Anderson.*

Social Action

Social Action proved to be of much importance as a class and a club. Bishop Montgomery has reached out to the community through Social Action. The members have coordinated the blood drives, the collection of mission money, and the food drives. The funnest part of the food drive came after a thirty-hour past (to raise money), when everyone went to Numero Uno to pig-out. Social Action goes to *Harbor View,* a halfway house in San Pedro. The people there enjoyed putting on plays, playing Bingo and winning stuffed animals and money as prizes. At *Pacific View,* formerly *Arsel Arms,* the girls danced with the men and the boys talked and played games with the men. Social Action also goes to a *Convalescent Home* on Torrance Boulevard to visit and sing for the aged. Reaching out all the way to Tijuana, Mexico, Social Action helps *Los Ninos* bring food and love to hungry people living in needy areas, dumps, and orphanages. Locally, some members have distributed charity information among businesses in the South Bay area for the *United Way.* Social Action has proven to be the most rewarding activity for many members of the club.

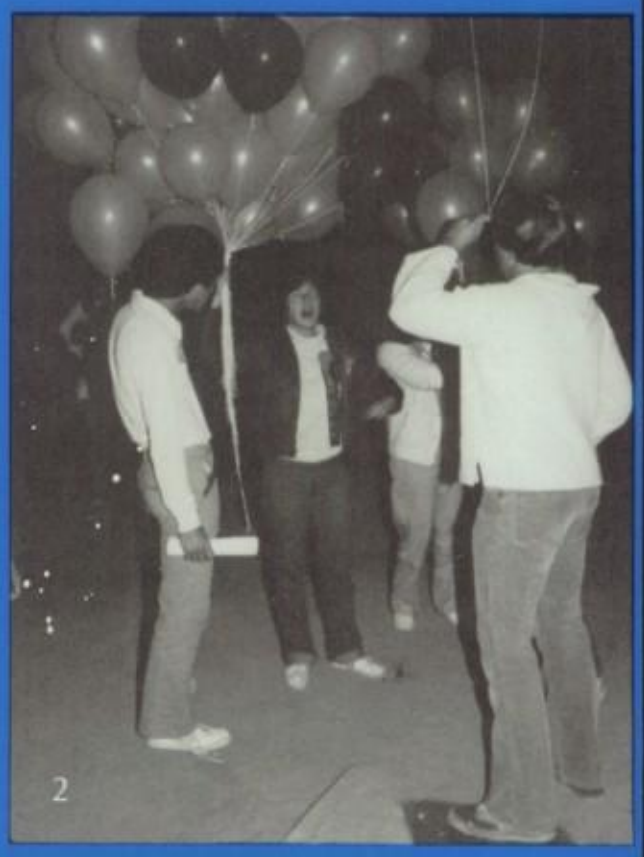
Concordia



Concordia, moderated by *Mrs. Roach,* is a group solely for girls that became active in community activities as well as school activities. At the Homecoming game, the club members marched in the parade around the field bearing their banner and carrying black and gold balloons which were to be sold during the game. After the game, they served punch and cookies in Thomas Moore Hall to the alumni. Concordians also made cookies for the Christmas Concert for which they also served as ushers. Concordia has reached out to the community by visiting the Torrance Convalescent Home and bringing the patients cookies and song. The girls brought much joy to the Home and to the students and faculty of Bishop Montgomery.

My dear students:

History is like the rear-view mirror in our cars. If we are to go forward safely, we must constantly look back. That is why we celebrate the Bicentennial of the founding of the City of Our Lady of Angels.

We look back to our cradle years and rejoice in the religious dimensions of our beginnings. Looking forward, we begin to realize that without this religious component we are unfulfilled. Even more, without a moral framework to our lives we tend toward an animal dominance of our conduct. For this reason, our presence at Montgomery High, and its presence to us, is a source of gratitude and pride.

May we be loyal to its ideals and carry them out onto the stage of the world when our entrance cue is given.

Devotedly and with a fervent blessing, I am

Very sincerely yours,

Timothy Card. Manning

Seniors Going In Style

WE ARE . . . THE SENIORS

The *Class of 1981* has left its mark on *Bishop Montgomery* as being one of the most spirited classes in the history of the school. Their outstanding spirit was due to their unity, sense of family, and their genuine interest in the school. For the third time in their high school career, the Class of '81 earned the coveted *School Spirit Trophy*. During their last year at Bishop Montgomery, the Seniors received help in co-ordinating fund-raisers and other activities from the *Class Moderators: Ms. Cathy Vallejo and Mr. Tim Haley.*

The Class of '81 continued Senior traditions by periodically holding bagel sales. They also enjoyed Senior privileges, such as: their own lunch area, a private lunch line, and lunch passes enabling them to eat off-campus. The Senior privilege of parking on the lower level all but disappeared as new parking procedures were established.

The Class of 1981 will always remember the good times at Bishop Montgomery and will always take pride in knowing that they were one of the greatest high school classes ever!

Have you ever wondered who you are?
You can search near and far,
And you may never get anywhere,
But still . . .

The answer is always free
Just like the Wizard of Oz
And the ruby red shoes,
The answer is there without any clues.

After a while it will come right away
And then you'll find that day
When you say
"I see.
The answer can only come
From inside of Me!"

The Junior Class of 1982 opened the new year with spirit and enthusiasm. Three years of togetherness were shown by the Juniors as they produced the winning float, themed: "Starry, Starry, Knight." This theme was expressed all throughout Spirit Week. The Junior activity was a tricycle race. The fund-raiser was the selling of Bishop Montgomery license plates.

The Junior class was led by excellent and hard-working students. President *Joe Brown*, assisted by *Gene Picciano*, spent many hours leading the Juniors through their third year at Bishop Montgomery. The Secretary was *Laura Wittman*, and *Tom Rubio* was the Treasurer. The Senator was *Debbie Spagnoli*, and the Publicity Coordinator was *Mike Baaden*. These Officers were guided by moderators *Ms. Laurie Sherwood* and *Mr. Bill Wengeler*. All in all, 1981 was a very good year for the Class of '82.

Sophomores

The Freshmen return, now as Sophomores. They cooled off from being the least of the underclassmen, in their water balloon toss during spirit week. The Sophomore class still retains the black and blue of their Freshman year as they decorated and wore their class colors of black and blue on Sophomore class day.

New and old officers moved up in this year of important elections. *Dani McOsker* climbed the ladder from secretary to president. *Lynn Mountain* and *Gabriel Capdevila* switched jobs as *Lynn* became Vice-president and *Gabriel* took over as publicity coordinator. New faces are *Renee Grider* for class representative, and *Jerry Geier* as treasurer.

The Freshman Class Officers were chosen in early October after the class had a chance to meet and get to know each other. The people chosen were those that the Freshmen felt could represent their interests most effectively. *Kristie Doran* was elected President, and Kim Moore helped her as Vice-President. Other Officers were: *Darren Davis,* Treasurer; *Madelon Ries,* Secretary; *Jodi Covington,* Publicity Coordinator; and *Paula Mendez,* Class Representative. The Freshman Moderators, *Father Jabro* and *Mrs. Palac,* helped these officers plan the building of the float, Spirit Week activities (a pie-eating contest), and various fund-raisers. All these events were great successes. Looking back, Freshman year was fun and memorable for the Class of '84.

BOYS' AND GIRLS' ATHLETICS

Varsity Football

The Knight's Varsity football team fought through a hard season, finishing with a 5-5 record. The Knights played a very tough schedule. Of the ten teams they played, nine were in the CIF playoffs. Knight's victories came over five CIF playoff contenders, including two league champions.

The Knights compiled an excellent 4-1 preseason record, starting with victories over Redondo and Serra. North High handed Montgomery their first defeat. The Knights came back to win their last two preseason games, defeating Mary Star and Miraleste.

The homecoming game against Servite was the Knight's first league game in the tough Angelus League. The Knights played strong defense throughout the game, but the team lost on a last minute field-goal. Bishop suffered defeat in the hands of Mater Dei and St. Paul in their next games. One of their best games came in the last league game against Bishop Amat. Amat, coming in undefeated and ranked fourth, were given a hard-fought battle by the Knights. The Knights were able to generate a powerful offense, but came up a point short in the 21-20 defeat. Montgomery finished off the season with a non-league victory over La Quinta.

The Knights were led by quarterback *Mike Mendoza,* chosen Offensive Player of the Year in the Angelus League. *Steve Baaden* was chosen All-League Kicker. Other All-League First Team players were *Bob Forsythe, Kent Taylor, Chris Rigali,* and *Mike Romero.* Second Team selections were *Mike Smith, Mike Soriano, Paulo Pueliu, Joe Dandoy, John Scott, Phil Hernandez,* and *Darren Bebe.*

Girls' Varsity Volleyball

The Girls' Varsity Volleyball Team had an outstanding season this year as they took the Angelus League title and qualified for the CIF Playoffs. With only one pre-season loss to Aviation, the team went on to conquer such teams as Pius X and Mater Dei, providing the Knights' with a ten and zero record.

In the first round of CIF, the team met arch enemy Corony del Mar, who had defeated the Knights in CIF for the past three years. After winning an exciting match, the team played Marymount in the second round of play. Again, the Knights came out winners and moved on to round three in a game against the number-one team, Mira Costa. After a grueling battle, the Mustangs defeated the Knights, 15-13, 15-11.

The teamwork and winning record was due mainly to the excellent coaching of *Ms. Colleen McFaul,* who recognized team talents and put them to the best use. Thanks to her spirit, hard work, and dedication, the team had an absolutely awesome season.

Another key to the team's success was the ability of each member to play as one team. A powerful offense was formed when *Ann Skelley* set the plays for hitters *Diane Cafaro* and *Terry Liegy.* Defense was also an important aspect with *Jeanine Juge* and *Jackie Romeo* saving many plays. Powerful hitting was provided by *Ruth Dessert* and *Maria Cafaro,* who proved to be good assets to the team. Putting their height to work, *Nancy Banken* and *Eileen Dempster* became an awesome pair as they went for blocks. *Eileen,* an excellent middle hitter, was awarded "All Tournament" at Marlborough, and was also selected to the All Angelus League first team, along with *Ann Skelley,* setter, and *Ruth Dessert,* hitter.

Junior, *Trisha Hanley,* and Sophomores *Anita Rodriguez* and *Loreen Trevino,* were all brought up to the Varsity Team at the end of League play. All three were very fine players that will contribute greatly to next year's Varsity Team.

Girls' J.V. Volleyball

The Junior Varsity Volleyball Team earned the Angelus League title with a season record of ten and zero. They had a strong team consisting of one Junior, six Sophomores, and seven Freshmen. The team had a strong hitting advantage that was led by middle blockers *Anita Rodriguez, Laurie Rodman,* and *Marcella Carlini;* and outside hitters *Anna Castillo, Diana Magana, Trisha Hanley, Yamile Menendez,* and *Teresa Mostero.* The setters, *Loreen Trevino, Jodi Harkenrider,* and *Eve Hank,* provided much of the Knights' offensive power that allowed the team to crush their opponents. Much of the strong serving was attributed to the setters.

The Knights' defense was a strong one led by *Kim Walmer* and *Sonya Kovacic* in the back row. Excellent blocking was provided by middle and outside hitters. *Jennifer Krank,* who sat out this season because of a back injury, and *Lynn Mountain,* manager, offered tremendous support for the team. Girl's J.V. Basketball

This year's Junior Varsity Basketball team really had a challenging year. It consisted primarily of freshmen, who weren't yet experienced in high school competition. That, however, didn't stop them. With their tall players *Michele Salas* and *Martha Carillo* as key factors in the position of guards, the team triumphed over Biship Amat. Soon, more experienced and enthused, the girls won victories over St. Paul and St. Joseph's.

Carol Stellino, a dedicated coach, said that the girls had a lot of potential, and in a couple of years, they will mature into an even stronger team.

Dear Seniors:

I thank God whenever I think of you.
And every time I pray for all of you
I pray with a smile on my face.
It's only natural that I should feel like this towards you,
Since you share in so many of the privileges that are mine.
You have a permanent and strong place in my heart.
And God knows how much my love is for you
And how great my caring is for you.
My prayer is that your love for each other
be increased more and more.
My prayer is that the experiences of your life
Will strengthen your hearts,
So that you, indeed, may take the chance to love each other
More and more each day.

I love you,

Father Kidney

In the fall, students from every high school across the land gather in their respective schools to put together a collection of memories: the yearbook. The task undertaken is an awesome one. For most students it is their first experience in journalism. For a moderator, it is a challenge, but always proves to be rewarding.

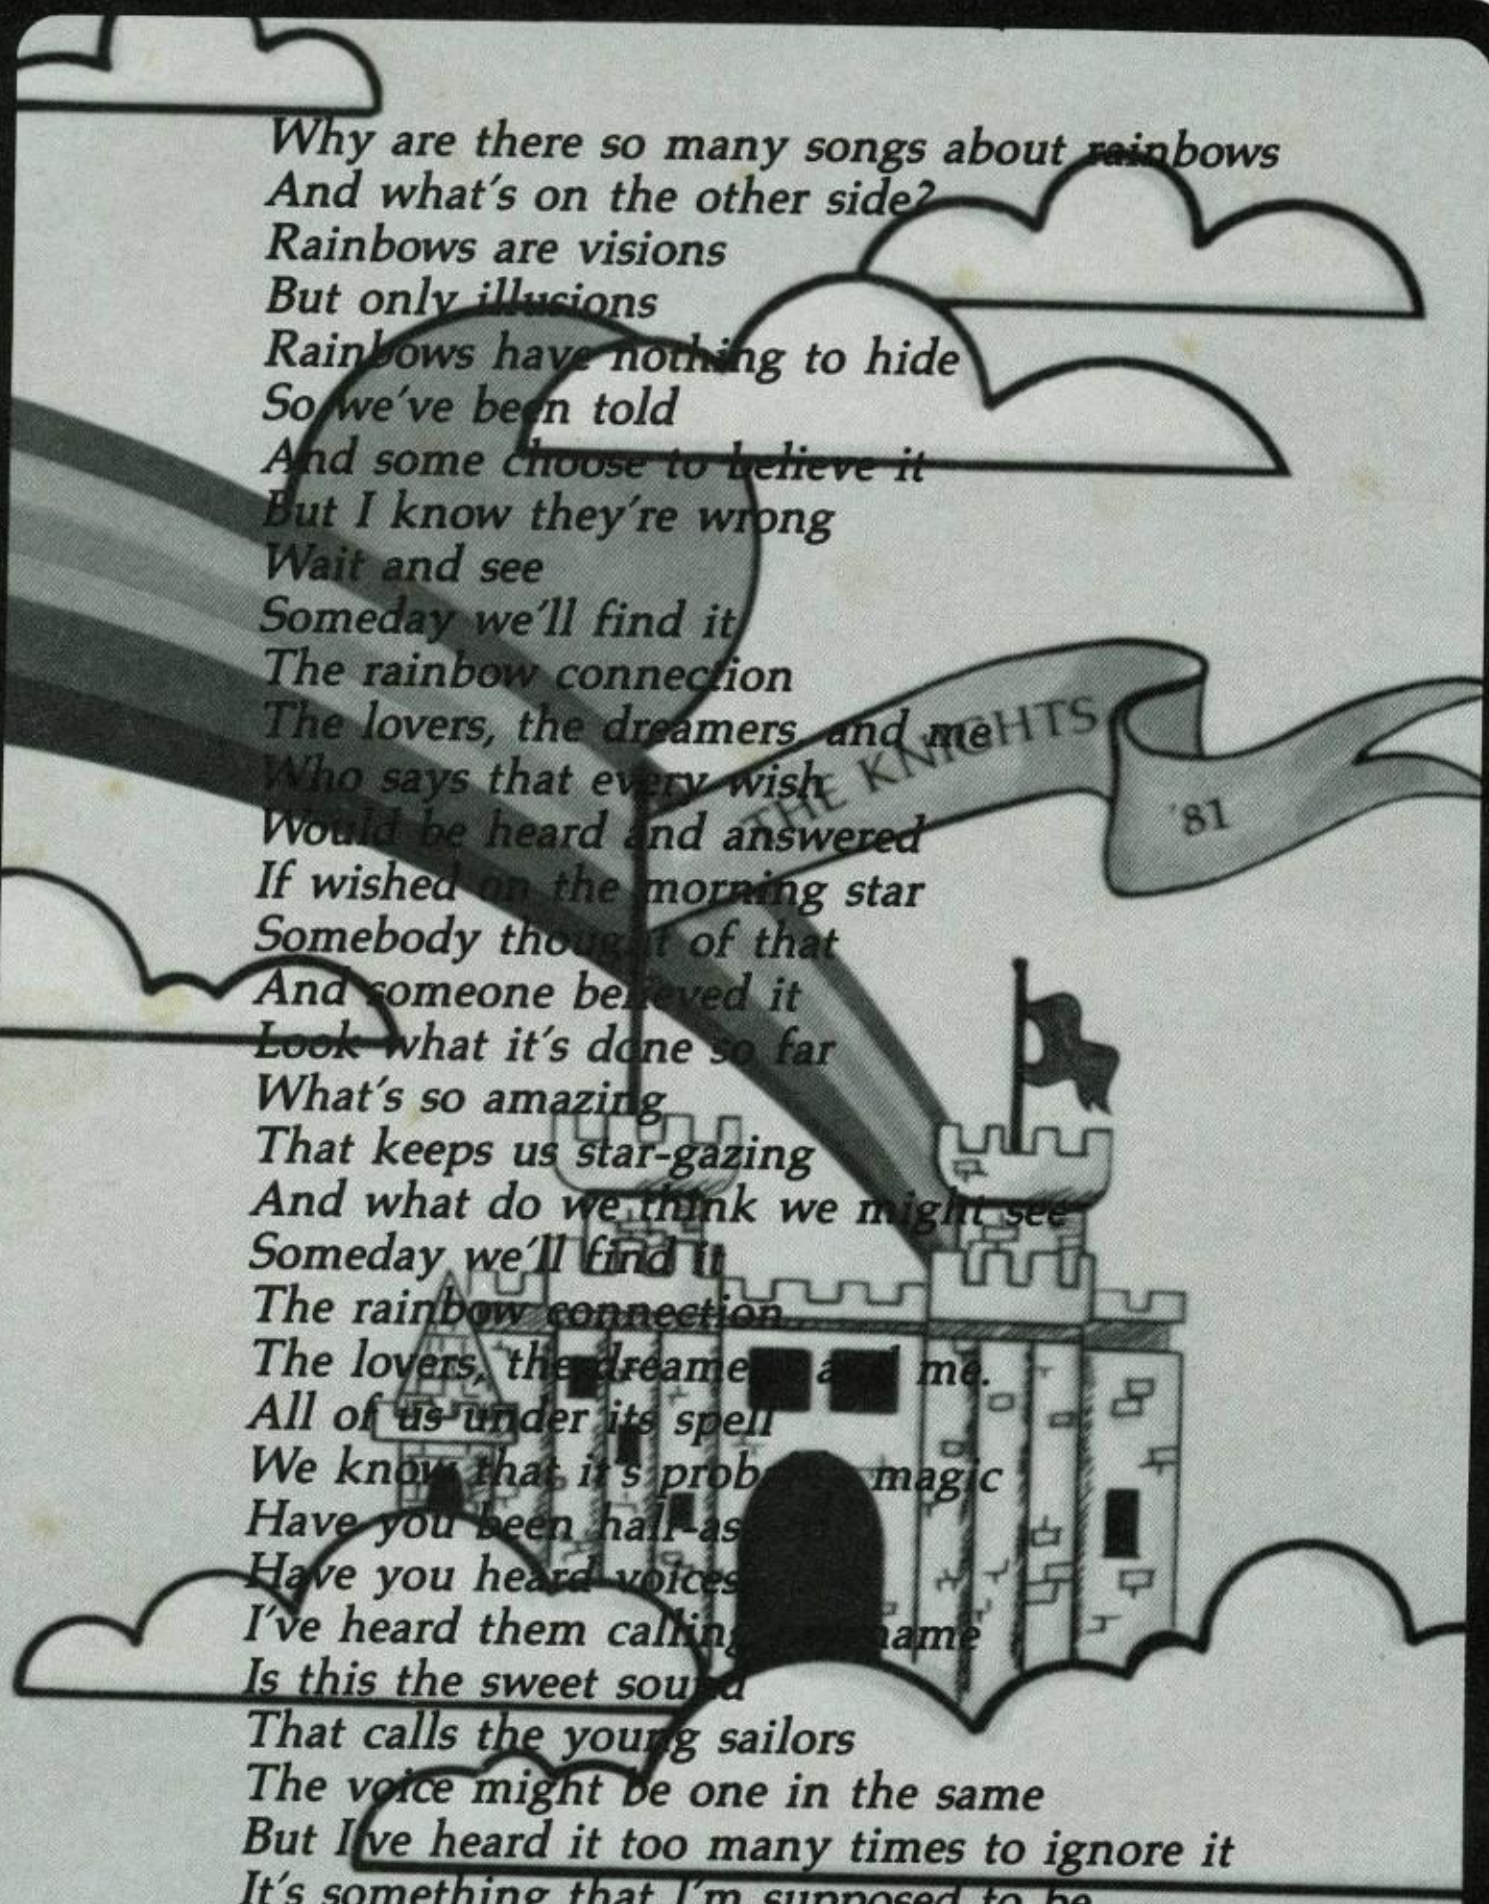
This was one of the years in which the rewards greatly out-numbered the trials and difficulties. My Editor, *Susie Filce,* was the catalyst for our success with the book. Her hard work, dedication, and sense of responsibility was well-appreciated by me, and the entire Yearbook Staff. We cannot thank her enough. All the students of Bishop Montgomery owe her a lot.

I would be remiss not to mention *Claudia Endler,* the Assistant Editor of the yearbook. *Claudia,* always steady and organized, was a great help to both *Susie* and me. We would have been lost without her.

To the remainder of the Staff: "Thank you." I could never really tell you how much your work, and patience and understanding of a moderator a little less oppressive than Atilla the Hun was appreciated.

When all is said and done, though, a yearbook is merely a collection of memories. Those memories will for years be a part of your life, and this Excalibur will be a key to your past. The Yearbook Class has accomplished what *Miss Filce* and the Staff set out to do: To show how you really were in 1980 and 1981.

Mr. Daniel Martinez



Why are there so many songs about rainbows
And what's on the other side?
Rainbows are visions
But only illusions
Rainbows have nothing to hide
So we've been told
And some choose to believe it
But I know they're wrong
Wait and see
Someday we'll find it
The rainbow connection
The lovers, the dreamers, and me
Who says that every wish
Would be heard and answered
If wished on the morning star
Somebody thought of that
And someone believed it
Look what it's done so far
What's so amazing
That keeps us star-gazing
And what do we think we might see
Someday we'll find it
The rainbow connection
The lovers, the dreamers and me.
All of us under its spell
We know that it's probably magic
Have you been half-asleep
Have you heard voices
I've heard them calling my name
Is this the sweet sound
That calls the young sailors
The voice might be one in the same
But I've heard it too many times to ignore it
It's something that I'm supposed to be
Someday we'll find it
The rainbow connection
The lovers, the dreamers, and me.

John,
This has been the shortest year of school & I have ever had. I hope its this short every year, if its not, I still have my friends to enjoy. I might see you around during the summer. Have fun for the rest of the year.
Greg Cameron

Dear John,
Its been fun messing around and joking in Fawell's class and almost getting busted. (Correct me If I'm wrong but is this what you wanted me to write?): You are a great musician and the smartest person I know.

Dear John,
You've been a really good friend even though we've only known each other a short time. Good luck with that operation!
